

Worlaby Crew

Night-Time Challenge Saturday March 3

Worlaby Crew has been invited to submit a team of five lucky members to take part in an exciting overnight adventure which will have them pitting their wits against thirty other teams from around the Humberside area. They will be led to victory (we hope) by local policeman Richard Beeforth and will be kept busy orienteering their way around a 14 mile course for between 6 - 8 hours which will also involve sorting out map co-ordinates. The youngsters have been so keen to take part that we are hoping to submit another team as well. Night Time Challenge is sponsored by Humberside Police and Fire Brigade and starts off from Elloughton on the North Bank. It offers not only a chance to take part in an awesome team building project, but also promises to be lots of fun, definitely challenging but with some great prizes at the end of it all. All the best to our team - GO Crew!

SKY DIVE

Local youth leader the intrepid Sheridan (Indiana) Jones has agreed to take part in a 15,000 feet sponsored Sky Dive to help raise funds for Worlaby Crew Youth Club. The Sky Dive will take place at Hibaldstow Airfield in June, exact date yet to be arranged but watch this space. So if you want to see Sheridan fly like a bird do come along but most importantly sponsor him. Your sponsorship will support the valuable work that is being done by volunteer youth leaders and will ensure that this work continues.
