

Worlaby Crew

Thursday 15th November was the official opening night for Worlaby's new youth club

We had twenty five youngsters waiting to welcome visitors to the opening off Worlaby Crew at the Village Hall. Representatives from the parish council, the recreation committee, youth service, North Lincs Council and Brigg Round Table joined youth leaders to wish Worlaby Crew every success in the future. With the ceremonial cutting of ribbon Paul Edwards Chairman of the Parish Council declared Worlaby Crew officially open for business and gave a short speech of thanks to all those individuals and organisations that have helped this youth initiative become a reality. Visitors were able to meet and talk to the young people and see for themselves the range of equipment that has either been donated to us or bought through fundraising activities or special grants.

Refreshments, which were kindly donated by individuals and the recreation committee; were effortlessly and efficiently catered by Ruth Empson and Jean Smithson – thank you! The evening was a great success, thank you so much to all those visitors who came along to support to us. Thanks must also go to the residents of Worlaby who have donated items of equipment, dug into their pocket for much needed sponsorship monies or offered wisdom and timely advice!.

The club is open to young people age 11 to 16 years on every second Thursday from 6 to 8pm. If the weather is fine then we can offer rounder's, football, dodge ball and basket ball. We have a great all weather surface that is floodlit, so even through the dark winter evenings, weather permitting, outdoor sport can be enjoyed. We also have pool, table tennis and a tuck shop in the main hall.

We have a number of activities in the pipeline: fitness training, craft workshops, football coaching, manicure and beauty sessions etc. If you feel that you have a skill that young people would be interested in please do get in touch with us we are really keen to encourage the youngsters to try appropriate new experiences in a safe and welcoming environment.
