

Worlabby Street Sports (Worlabby Crew)

The first meeting for young people aged 11 – 16 years who were interested in regular evenings of sporting activities started on Thursday May 17th at 6pm and they will continue fortnightly at the recreation ground.

In order to get the word out, we dispatched over 100 flyers to Brigg senior schools. The first evening a dozen youngsters turned up and enjoyed a lively five a side, hockey and dodge ball. Everyone had a great time, thanks to Rob, Carl and Conrad but the kids did run rings around you guys!

We have had a couple of evenings so far and they have been really fun – even I was mustered for netball on one occasion. Across the field I noticed that they had even persuaded Sheridan to go outside – I have to say he did a lot of standing around in goal

We have decided on the name **Worlabby Crew** for the youth club which will start in September. This will give us some time in which to raise funds for equipment and organise activities. The youngsters have lots of ideas about the sort of club they would like and what they are interested in. But we need to do lots of fund raising as all we have at the moment is our enthusiasm. A big thank you however to the Parish Council who gave us a grant towards covering the cost of our insurances, and also to the Recreation Committee who give their full support and help wherever possible. In the meantime Conrad and Joshua are taking part in a 10k in July and will be looking for sponsors – we hope to raise enough to buy a snooker or tennis table for the club.

Please do come along and join us on Thursday evenings, this is your club and we all have a great time. **Dates in July to remember are 7th and 21st at 6 – 7.30pm at the recreation ground.** See you there!
