

Youth Club to Launch

A NEW youth club is set to be launched in Worlaby in September. The Worlaby Crew will be opening its doors to youngsters on Thursday 15th September, thanks to kind- hearted fundraisers who have made it possible.

Youth leaders, members and supporters have recently raised money for the necessary insurances and equipment needed. The new venture has been fully supported by North Lincs Youth Service and Worlaby Parish Council and Recreation Committee.

Youth Leaders Sheridan Jones also raised nearly £500 in pledges by completing the Walkington 10K on July 8th. He was supported in this by youth leader Conrad Watson and crew member Joshua Jones
